JEROME
BETTIS' grille

36

Jerome Bettis' Grille 36 is happy to invite our dietary sensitive fans to enjoy our allergen friendly menu options. All options on this menu are prepared in a separate area of our facility using special products and equipment to help minimize the risk of cross contamination for our allergen sensitive patrons.

Jerome's facility operates on a fresh daily menu and all cooking is done from scratch. Please note although we offer allergen friendly options, this facility uses a number of products that contain gluten, dairy, and nuts, therefore we can not guarantee a 100% allergen free experience.

To help ensure a safe dining experience we ask that you:

Notify your server when you receive your menu of your specific allergen concerns and needs

Ask for a manager or chef to get any information that will help make your visit as comfortable as possible

Please be patient with our staff when handling your concerns, it may take a little extra time for us to do everything we can to provide a safe dining experience.

All allergen options are served on a special round plate, if your meal does not arrive on this plate please notify your server immediately.

We thank you for trusting Grille 36 with your health and dining needs. We assure you that we will do everything we can to provide you with the best experience possible.
